

2024 UMRCC Fisheries Technical Section Agenda

Holiday Inn, Room TBD, Rock Island, Illinois

Tuesday, March 26th, 1:00 – 5:00 PM

I highly encourage you to attend the meeting in-person, if at all possible. There is great value in meeting your counterparts who work along the river, learning from them, and building partnerships. I've long said that I've learned as much from the side conversations as I do the formal presentations. But, if you absolutely can not attend in-person, information on connecting remotely is on page 2.

1:10 – Mississippi River Fisheries Commission Update – Greg Conover

1:40 – Mississippi River Carp Management Update – Rebecca Neeley

2:00 – UMRCC Commercial Fishing Data – Annie Hentschke

2:10 – Constellation Activities Update – Jeremiah Haas

2:20 – Institutional Knowledge Activity

3:00 – Break
