3/26/24 Law Enforcement Technical Section Minutes

3 IA DNR Conservation Officers Joe Fourdyce
1 IL DNR Conservation Officer Audrey Hoftender
1 IA Biologist Scotty Gritters
2 Army Corp Joe Lundh

We talked about Corp apps for mapping. We also discussed people registering boat docks as vessels in Iowa. IA and IL talked about commercial fishing regulations and cases we have had issues with prosecution due to different laws.

CO Fourdyce and I are going to put a document together for commercial fishing regulations between IA and IL and see if we can get closer on regulations for the Mississippi River.
